

Since 1989...

**Coastal Bend Tooling & Automation** has served the South Texas Region from Corpus Christi, Texas.

Centrally located between Houston, San Antonio, and the Rio Grand Valley, our beautiful city is an ideal location to serve all of these areas from.

Our door is always open for our customers to visit, so if you are in the neighborhood, come on by and see us!

Corpus Christi has a multitude of entertainment, including the beaches, USS Lexington Museum, Texas State Aquarium, American Bank Center, Botanical Gardens, a beautiful downtown and marina, and...the BEACHES!

*Come see what attracted us to this south Texas coastal town!*

**Coastal Bend Tooling & Automation**  
510 South Staples Street  
Corpus Christi, Texas 78401

*Solutions for all your manufacturing needs...*

*For over 20 years!*

INTEGRATION & AUTOMATION  
SPECIALISTS
